

Aavid Kool-Klips™

These one piece stainless steel clips eliminate the need for screws, lock washers and nuts in the assembly process, therefore reducing assembly time and cost. These can be bought separately, or found in the 11th or 12th position when deciphering an Aavid Standard product. Please reference Indexes to see which clips are popular with which product offering.

ORDERING INFORMATION

To order clips separately use part number below.
To order a clip as an option use ordering code.

example 12 digit part **530101B000** **G**
