

PRODUCT CHANGE NOTIFICATION

PCN No.: PCN190901

This Product Change Notification serves to inform the Purchaser and Consumer of certain design and or specification changes, described herein, that Sensata |Crydom will make to its line of Solid State Relay model numbers indicated in the attachment and in accordance with the described time line.

Issue Date: October 4th 2019

Effective Date: October 21st 2019

Subject:

Change to bulk packaging for single-phase hockey-puck SSRs

Scope:

To improve production efficiency and standardize on product packaging we will be changing to bulk packaging for certain solid state relay products.

Description of Changes:

Single-phase hockey puck SSRs, which are currently packaged using individual carton boxes, will now be packaged in bulk. This package type uses carton spacers to maintain the relays in place and protected.

The following images show both packaging types:
