

# PRODUCT CHANGE NOTIFICATION

PCN-POS-240722

*This Product Change Notification serves to inform the Purchaser and Consumer of the impacted availability of the Sensata part numbers listed herein in accordance with the described timeline.*

**Issue Date:** 22 July 2024

**Effective Date:** 22 July 2024

**Subject:** Alternative Conductive Inks Validated for Previous DP Ink

**Scope:**

Sensata has now validated an alternative conductive ink to satisfy the requirements associated with replacing its previous “DP type ink” used for the conductive plastic element used in potentiometers and production of those components will resume in due course. A [prior notification](#) around this issue was issued in June 2023.

Customers wishing to perform their own validation testing should contact Carlos Gonzalez at [cgonzalezhuerta@sensata.com](mailto:cgonzalezhuerta@sensata.com).

**Products/Models this PCN applies to** include the product series listed in Table 1.
