**PRODUCT CHANGE
NOTIFICATION**

PRODUCT CHANGE NOTIFICATION NO: R-05-002301 **PCN DATE:** 12-DEC-2005

We would like to inform you about the following change(s) to the listed Tyco Electronics Product. In case of any further questions about this change(s), please contact your Tyco Electronics Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

GENERAL PRODUCT DESCRIPTION:

Communications, Computer & Consumer Electronics - Connectors

DESCRIPTION OF CHANGE:

The listed Part Numbers are non-compliant to EU Directive 2002/95/EC (RoHS). The parts shown as Substitute Part Numbers are RoHS compliant equivalent parts. RoHS compliant parts do not exceed the maximum concentrations of 0.1% by weight in homogenous materials for lead, hex chrome, mercury, PBE, PBDE, and 0.01% for cadmium, or the parts qualify for an exemption as defined in the Annex of the RoHS Directive.

REASON FOR CHANGE:

The Substitute Part Numbers are fit/function compatible with the non-RoHS Parts. Fit is defined as the physical geometry and interchangeable characteristics of the part. Function is defined by the published customer related performance documentation or specifications for the part. By January 1, 2006, the RoHS compliant part will become the preferred part and the non-compliant part will become non-standard.
