

17-Jun-2010

PCN #:E-10-006521

Subject:Product Change of Amplimite connector saver assemblies

Description of Change:Change epoxy from Hysol SR1010 to SR1000

Reason:Document clarification. Manufacturer of Hysol SR1010 and SR1001 has discontinued product. DSCC has approved this change for M24308 qualified products. Outgassing tests confirm that the connector will continue to meet requirements. Hysol SR1000 contains all the constituents of SR1010 except a thickening agent for processing viscosity.

Impact of Change:Form-Fit-Function

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

Tyco Electronic's corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the Tyco Electronics Product Information Center at 800-522-6752 or your Tyco Electronics Sales Representative.
