17-Feb-2011

PCN #:E-11-003172

**Subject:**Amplimite, HD-20, Plug Assemblies, Right-Angle, PCB Mount

**Description of Change:** Solder-tail design change from tightly closed seam in the formed solder-tail to an open seam in the formed solder-tail. Same solder-tail design is used in the equivalent receptacle/socket versions of the product. (Will not affect fit or function of part; form/visual change only.)

**Reason:** Product improvement. Improve the solderability of the solder-tails by preventing plating solution from becoming trapped within the tail and eventually bleeding-out over time.

**Impact of Change:**form - fit - function

**Key Dates:**

**Contact By Date:**20-May-2011

**Implementation Date:**20-May-2011

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

Tyco Electronic's corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the Tyco Electronics Product Information Center at 800-522-6752 or your Tyco Electronics Sales Representative.
