**PCN #:**P-11-003792

**Subject:**Terminal, GET 0.64, Male Inline

**Description of Change:** Returning die to production. Production die has been inactive for greater than twelve months and has not been used to produce any production terminals during this period of time. Prior to this inactivity, the die had been PPAP approved and was utilized to produce production level terminals.

**Reason:** To increase available capacity of the GET 0.64 male inline terminals to better meet customer demand.
