

# Customer Information

## Product Change Notification

PCN #: 20210128-01

**Change Title:** Modification of the AZ943 series relays.

**Products Affected:** AZ943 series

**Exceptions:**

The following special code part number are not affected by this product change:

- AZ943-1AH-12DE(101)
- AZ943-1AH-12DE(102)
- AZ943W series
- AZ943S series

**Time schedule:**

Effective: starting March 2021

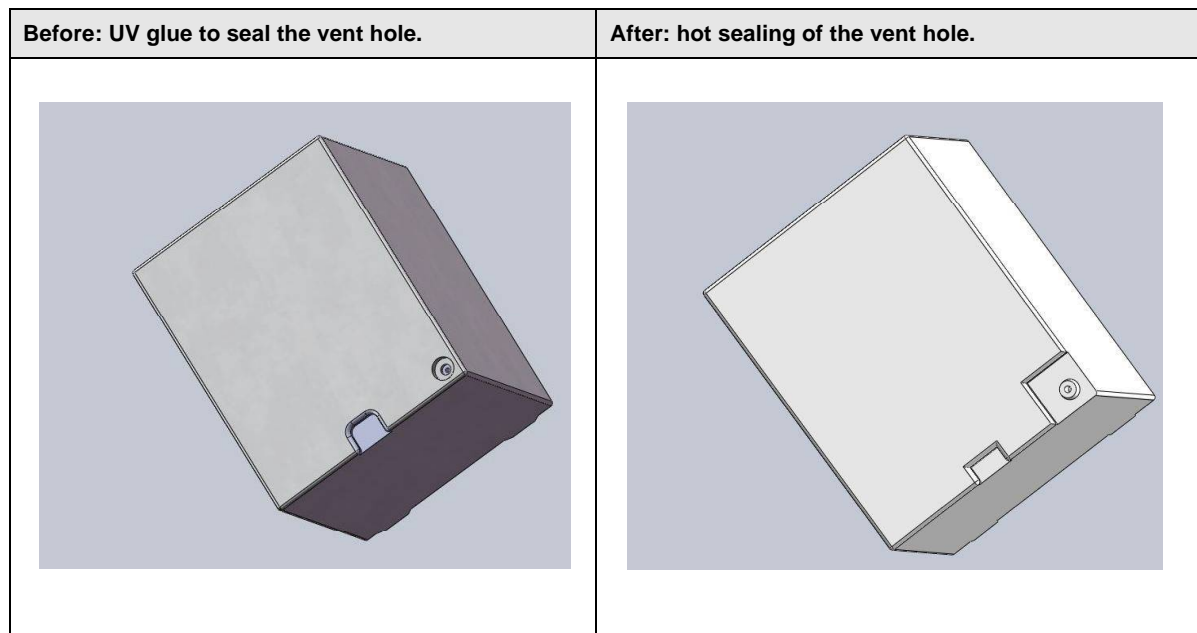

**Reason for change:**

- New sealing concept for the relay
- Improvement of production efficiency
- The use of UV glue for environmental reasons is reduced

**Detailed description:**

Switching from UV glue sealing of vent hole for sealed versions of AZ943.

This change has no further consequences for the product. The change does not affect any structure and performance of the product. This change does not affect the certifications.

**Additional support documentation:**

none

**Contact Information:**
