APEM ref. 2022072601

PRODUCT CHANGE NOTIFICATION – Body color of the IB, IF, IS and IZ

By this letter, APEM informs you that the IB/IF/IS/IZ series have 2 different body colors:

- White for the UL approved part numbers (ending by “UL”) – **No modification**
- Blue for the non-approved part numbers – **Modification: used to be white**

The part numbers and the product characteristics as shown on the online datasheet remain the same.

UL PN: No modification , the body color remains white	Non-UL PN: Modification the body color is now blue and not white
	

This product modification applies immediately for the below items. This modification will be then progressively implemented on the IB, IF, IS and IZ series
