Bourns® Model CDDFN6-0504P TVS/Steering Diode Array ***Additional Assembly/Test Location***

To support increasing demand, secure continuity of supply and provide maximum flexibility to our customers, Bourns is adding an additional assembly/test Location in China for the assembly/test of the Bourns® [Model CDDFN6-0504P](#) TVS/Steering Diode Array.

Traceability is maintained through the lot code and date code. The product marking and label are unchanged. The country of origin will remain China. Evaluation samples and qualification data are available upon request. Unless your company has been notified otherwise by Bourns in writing, deliveries of such products may occur 90 days after the date of this notice.

There is no change to the form, fit, function, quality or reliability for the products.

Affected Part Number

CDDFN6-0504P

Implementation dates are as follows:

*Bourns will begin phasing in this process: **June 1, 2017***

*First date code using the above changes: **1715***
