

Product Change Notification

CHIP DIODES / THYRISTOR SURGE PROTECTORS

June, 2017

Product Marking Changes for Select Bourns® Chip Diodes and TISP® Thyristor Surge Protectors in SOT23 Package

In the spirit of continuous improvement, a change will be made to the product marking of select products in SOT23 packaging to include manufacturing date codes and production lot codes. The current product marking for SOT23 packaged products indicates the product codes only.

There is no change to the fit, function, quality or reliability of the products. The change to the product marking only affects the product's form.

Table 1.

Current Product Marking	New Product Marking
	
XX: 2-Digit Product Code	XX: New 2-Digit Product Code YWWL: Manufacturing Date Code Y = Year WW = Week L = Lot Code
