BOURNS®
Reliable Electronic Solutions

Product Change Notification Switch Product Line

Bourns, Inc. continues to prepare products for RoHS compliance and lead free processing. While Bourns, Inc. has worked diligently to improve our switch products, it is important to note that RoHS compliance does not automatically mean product compatibility with lead free processing temperatures. Below is a list of each model and the status pertaining to RoHS compliance and lead free processing:

Model	RoHS Compliant	Lead Free Process	Material Modifications
7813	Since inception	January 2005 (DC:0501)	
7814	Since inception	January 2005 (DC:0501)	
7829	January 2005 (DC:0501)	Not Applicable (TH)	
7914	Since inception	January 2005 (DC:0501)	
SDHH	June 2005 (DC:0527)	June 2005 (DC:0527)	
SDM	June 2005 (DC:0527)	June 2005 (DC:0527)	
SDT	April 2005 (DC:0514)	April 2005 (DC:0514)	
SDTM	April 2005 (DC:0514)	April 2005 (DC:0514)	Black to Brown Housing
SND	June 2005 (DC:0527)	June 2005 (DC:0527)	
ST_W	April 2005 (DC:0514)	April 2005 (DC:0514)	
STJN-4	April 2005 (DC:0514)	April 2005 (DC:0514)	
STJN-5	April 2005 (DC:0514)	April 2005 (DC:0514)	
STS	April 2005 (DC:0514)	April 2005 (DC:0514)	
STSS	April 2005 (DC:0514)	April 2005 (DC:0514)	

Note: Material modifications do not affect the form, fit or function.

Please feel free to contact me if you require any detailed information about our products.
