### Bourns® Trimpot® Product Line Announces Model 3296 Product Marking Change

Bourns® Trimpot® Product Line recently updated its Taiwan-manufactured [Model 3296](#) products by marking the country of origin directly on the parts in addition to marking the country of origin on the outer packaging. This marking change began during the 37th week of 2009 and was fully implemented during week 18 (May 3rd) of 2010.

Model 3296 products shipped from Bourns' Costa Rica facility will continue to have the country of origin "Costa Rica" marked on the units.
