1. Purpose

C&K Components, a design and manufacturing company is constantly striving to continuously improvement in the manufacturing and production of our parts in order to deliver the best in class switches into the market. Our goal is to serve our customers with an ever-increasing level of value while ensuring customer satisfaction on our product is fully guaranteed.

The PCN introduces the change in the external packaging, which is related only to the Tape and Reel Packaging presently used in the RTE Series Rotary Coded switches.

2. Overview

At present, the RTE Series is using Black Opaque Tape & Reel Packaging as shown below:

We have identified a new Transparent Opaque Tape & Reel Packaging which we will be introduced as shown below:

The advantage of the utilizing the Transparent Opaque Packaging is:

- Allow a better eye-visual inspection of the RTE switch during incoming source inspection
- Quality-wise of this new packaging is more robust

3. Impact of Change and Qualification

3.1 Impact of Change

An important note is that there is no impact on the quality of the actual RTE switch at all with this migration of the packaging.

End user who buys these RTE switch will notice that the packaging colour will be different.

3.2 Qualification

The packaging has been fully qualified to ensure a high consistent quality and performance level.

4. Part numbers affected

The following table defined the part numbers impacted by this PCN on the packaging:

- Y36C02413FP LFT → RTE1002G14
- Y36C02433FP LFG → RTE1002G37

- Y36C02453FP LFT → RTE1002G54
- Y36D02443FP LFG → RTE1602G47
- Y36D02443FP LFT → RTE1602G44
- Y36D02473FP LFG → RTE1602G77
- Y36D02473FP LFT → RTE1602G74

5. Date of application

Change application in production – Calendar Week 18, 2017.

6. Conditions of application

Ordering: P/N codes remained unchanged.

Pricing: Any pricing and other sales condition remain valid even with this new packaging.

Stock handling: No return or scrap required since there is zero impact on the RTE switch.

7. Support

For any question, please contact your C&K sales representative or Global Product Manager.
