PCN23-14

1. Purpose

To improve production efficiency and better serve our customers in the globe, the production line of CD series will be re-located from our China factory to Hanoi, Vietnam. This move will take around several months and the mass production is schedule to be readied in Mar 2024 or earlier.

C&K have put in place several actions to minimize potential disruption caused by this move. Safety stock levels has been prepared to cover the transition period, so we can continue shipments with minimal disruption.

2. Overview

This notification is to inform of the manufacturing location transfer from China to Vietnam with continuous improvements.

3. Impact of Change

3.1 This PCN indicates the changes below.

Item	Content	Before the Change	After the Change
1	Manufacturing Location	China	Vietnam
2	Manufacturing process of movable contact	Stamping + Barrel Plating	Stamping in reel + Selective Plating + Cutting

3.2 Lead time will be shortened from current 16 weeks to 8-10 weeks after production is running smoothly in VN.

4. Part Numbers Affected

All the PNs of CD series as indicated below list but not limited.

Item	C&K PN
1	CD0023
2	CD08RM0AB
3	CD08RM0CB
4	CD08RM0SB
5	CD08RM0SBR
6	CD10CM0AB
7	CD10CM0CB
8	CD10CM0SB
