Dear Valued Customer

Please be advised that we are in the process of transferring the KS11 / KS12 Key switch series production lines from our facility in Costa Rica to Huizhou China.

A list of the affected part numbers is attached for your reference.

Production in Costa Rica will stop on or about October 1st 2012 and start back up in mid November 2012 in our Huizhou China facility. Should you require additional product during the transition time frame, please let us know by mid August so that we can avoid any shipment delays.

For schedule information, questions or if you require any further information, please contact your respective customer service person or one of our product specialist at 617-969-3700 ext 8659.

We regret any inconvenience this may cause during the transition period.

Best Regards,

C&K Components

Lou Zajac

Director of Product Marketing.

.

1. Change Impact

All series switches found in the spread sheet

2. Effective Date Oct 1 2012

3. Support

Please contact Customer Service or your local sales representative.
