

END OF PRODUCTION NOTIFICATION

EOP No.: **EOP180101**

This End of Production Notification serves to inform the Purchaser and Consumer of discontinued availability of the Crydom part numbers listed herein in accordance with the described time line.

Issue Date: January 24th 2018

Effective Date: February 23rd 2018

Subject:

Gen 3 End of Production

Scope:

The first phase of the transition to our Generation 4 of Panel Mount Solid State Relays was implemented on August 2013, with a second phase implemented on January 2015. Since then a limited production of Generation 3 products has been maintained for selected customers in order to allow them additional time to make a smooth transition.

This limited production of Gen 3 SSRs is being stopped at the effective date specified in the present document. Customers buying these products should make the transition to the Gen 4 platform as soon as possible.
