

Cypress Semiconductor Corporation
198 Champion Court San Jose, CA 95134

REACH and RoHS POSITION LETTER

This is to certify that Cypress Lead-free semiconductor product and solutions meet the requirement of the ROHSII Directive 2011/65/EU published July 01, 2011. Cypress lead-free semiconductor product is designated with and "X" in the marketing part number. Compliant Cypress Semiconductor solutions, such as development kits, have RoHS symbol on the product label or visible insert. Cypress continues to supply non-lead free product based on customer demand.

The majority of Cypress semiconductor product and solutions are compliant with the REACH Regulation No. 1907/2006/EC or the European Parliament and of the Council 2012 list of 163 REACH Substances of Very High Concern (SVHC) materials. If Cypress products contain any SVHC substance exceeding the 0.1% w/w, Cypress will disclose this information by package to the customer request.

Cypress is an article producer (semiconductor and semiconductor solutions). Cypress does not manufacture in Europe and does not import chemicals into Europe. Cypress is not a substance or preparation producer per REACH definitions. Cypress is not required to pre-register with REACH.
