

Date: May 24, 2021
To: Bussmann series military fuse customers
Subject: Release of stop-ship on FM01A fuses

Dear valued customer:

Effective immediately, per the stop shipment release VQ-21-036093, the Bussmann™ series products listed below are available for sale and orders may be placed in the system. Please note there will be variability in lead times as the line gets back to production levels, so please use conservative estimates of 12-16 weeks.
