

Product Change Notification

PCN Tracking Number:	RLPCN124301
Product Category:	Electromechanical Relays
Affected Products:	JS relay series. Packing change for 3.2 mm pitch versions
Date:	23 October 2012

Change description:

Packing change for additional outer carton box for JS relays with 3.2mm contact pitch.

Current Packing	New Packing	
		
<p>Single outer carton box 705mm x 325mm x 170mm</p>	<p>Double outer carton Box 730mm x 345mm x 210mm</p>	

Part numbers:

All JS relays with 3.2 mm pitch contact terminals JS-(xx)(-;M)(-;E;N;F;D)-K(-)-(V3)

Note that also all special types, with 3.2 mm pitch will be changed to double box packing.

All other JS versions with type number suffix "T" (Contact construction 5mm pitch) are excluded from this change.

Reason for change:

Improvement of packing quality and resistance to transportation shocks.

Anticipated impact:

Change of total outer box dimensions. This change has no effect on the functionality, mechanical- and electrical parameters. There is no update on JS data sheets.

Start of implementation:

Planned from October 2012 production onwards.

Customer response:

Send your comments, requests for additional information or support to your Fujitsu account mgr.

Disclosure information:

None of this information shall be disclosed or forwarded to other suppliers or distributed outside your company, without approval from Fujitsu Components Europe B.V. Distributors are allowed to forward this PCN to their customers whom are buying one or more of the listed Relays
