Product:	All Metral® HS Headers and Receptacles		Part Numbers Concerned:	See list attached
Product Manager:	Jeff O'Brien		Issue Date:	28 July, 2007
			Page(s):	1/1
Distribution:	GLOBAL			

Subject:

Our LCP supplier has given notice that the current grade of LCP is being discontinued by 12/31/07, and replaced by an enhanced version.

Nature of Change:

The reformulated LCP will have all the same properties, however there is a slightly darker color to the plastic housing than what the current resin has. During 2008 customers will see this slight color variation within the same shipments and likely within the same tubes.

Implementation Date:

Starting December 2007

Distribution:

No returns will be accepted due to this slight color change.

Affected Part Numbers:

All Metral HS Headers and Receptacles produced by the Huntingdon plant. All part numbers remain the same.

Alternative Products:

Products maybe shipped using either color resin.

Action Required:

No customer action is required. This PCN is being issued to help inform all parties of the slight color changes that may be seen on shipments produced on January 1, 2008 and beyond.

For questions regarding this PCN contact:

Jeff O'Brien
HS – Metral Product Manager
