Product/Process Change Notification
PCN08157

Product:	DIN PCB connectors hpl 556		**Part Numbers Concerned:**	Various, see affected part number list
Product Manager:	K. Steding		**Issue Date:**	Nov 15,2008
			Page(s):	1/1
Distribution:	GLOBAL			

Reference PCN-08155, Closure of manufacturing plant FCI La Ferté Bernard, France

Subject: Transfer of DIN PCB connector manufactured FCI La Ferte Bernard (France) to FCI Cochin (India).

Nature of Change: This notification is to announce the consolidation of all DIN PCB connector activities under the responsibility of FCI-Cochin, India. For major part FCI-Cochin, India is already supporting the global market and after completion they are fully responsible for this product line. The consolidation will strengthen FCI position in the DIN market and enable servicing accounts best.

Implementation Date:
First possible shipments from Cochin, India: March 2009.

Affected Part Numbers and Customers:
See attachment.

Action Required:
Please inform customers on this transfer.
No action required from our customers.

Already acknowledged order backlog will be transferred to the receiving site with no impact on acknowledged dates.
