

PCN - 11 027

Issue Date: March 30 2011

Product Name:	AIRMAX VS ®			
	AirMax VS® RA Receptacle ,AirMax VS® Right Angle Header ,AirMax VS® Vertical Header,AirMax VS® Vertical Receptacle,AirMax VS® Mezzanine			
Product Manager:	James Lim			
Subject:	Product Change Notification			
Distribution:	Global			
Type of Change:	Materials Change			
Change Description:	To add other LCP suppliers as an alternate material for AirMax housing			
Reason for Change:	<p>Due to the recent earthquake and Tsunami in Japan ,a force majeure was issued by Ticona (new owners of Dupont)LCP Resin. The factory immediately needs to qualify an alternate material to sustain the delivery of the above products to our customers.</p> <p>As the qualification process takes time, the supply chain will be disrupted if customer decides to qualify the connectors on the application of their products; FCI will take about 3 weeks to qualify the alternate materials. Ticona's allocation will start from mid April onwards. If there is no customer qualification required, FCI will attempt not to disrupt the supply chain. However if customers require qualification at their end that run into Ticona LCP resin shortages in mid April 11, we may need to go into allocation for these products.</p>			
Affected Parts:	See attached list.			
Effective Date of Change:	March	31	2011
