KEY SPECIFICATIONS

Connector Series 1	SMA
Connector Gender 1	Male
Connector Polarity 1	Standard
Connector Angle 1	Right Angle
Connector Mount Method 1	None
Connector Impedance 1	50
Connector Series 2	SMA
Connector Gender 2	Female
Connector Polarity 2	Standard
Connector Angle 2	Straight
Connector Mount Method 2	None
Connector Impedance 2	50
RF Cable Part Number	FM-F086
RF Cable Type	FM-F086
RF Cable Impedance	50
Length	6 inches

DESCRIPTION

RA SMA Male to SMA Female Cable FM-F086 Coax in 6 Inch

RF cable assembly part number FMC0413085-06 RA SMA male to SMA female cable FM-F086 coax in 6 inch from Fairview Microwave is one of a huge selection of coaxial cables for radio, antenna and interconnect with RF components. Fairview Microwave RF coaxial cable assembly products are designed for typical use, production, laboratory test and measurement, defense / military, aerial antenna towers, etc. RA SMA male to SMA female cable FM-F086 coax in 6 inch, like our other coaxial cable assemblies, is specifically ready for quicker shipment than most in the industry can provide.

This Fairview Microwave RF coaxial assembly is manufactured with SMA cable connection on one end and a SMA cable connection on the other end. Our SMA cable assembly has a male gender on end one and female on end two. SMA cable FMC0413085-06 is built in a male to female coaxial assembly design and will ship quickly after the purchase.

Fairview SMA male to SMA female cable assembly FMC0413085-06 is built with FM-F086 coax and it is a flexible design. Our SMA cable assembly is manufactured with right angle 50 Ohm SMA to 50 Ohm SMA cable connectors and has a 50 Ohm impedance for the cable. RF specs for this SMA right angle male to SMA female cable can be found on its specifications datasheet PDF above. Keep in mind that FMC0413085-06 can also be used as a SMA female to SMA male cable because the assembly operates in both directions.

SMA right angle male to SMA female coaxial cable assembly is just one of more than a million RF parts we have available. Fairview Microwave is where to buy a high quality SMA to SMA cable assembly for quick shipment worldwide. We also have a wide selection of other low to high frequency coaxial cables that will ship quickly from our United States warehouse. Because Fairview is one of a few RF, microwave and millimeter wave cable assembly suppliers with rapid shipping, many variations of SMA cable assemblies can also be built and shipped quickly as well. Custom cable assemblies for radio, antenna, RF component inter connection and more for production, test and measurement labs, military / defense, aerospace, telecom and other RF applications for cables can be easily built.
