

PRODUCT ADVISORY NOTICE

KEEPING YOU INFORMED OF PRODUCT CHANGES

To: All Customers, Sales Representatives and Distributors

Date: February 17, 2014

Subject: Printing on I/O modules changing to Tampo printing

This Product Advisory Notice is to alert you that Grayhill is changing the printing method on its I/O modules from laser etching to tampo printing. This change will not affect the specification of the I/O modules. Please note, this is the same printing used on the AC Output (black case) modules for the past 25 years.

Please forward this notification to the appropriate person(s) in your organization.

Description of Change

Printing on I/O modules changing to Tampo printing.

Effective Date

May 1, 2014
