#### Identification

| Category                    | Hoods/Housings              |  |
|-----------------------------|-----------------------------|--|
| Series of hoods/housings    | Han-Eco <sup>®</sup> A      |  |
| Type of hood/housing        | Hood                        |  |
| Description of hood/housing | With integrated cable gland |  |
| Version                     |                             |  |
| Size                        | 10 A                        |  |
| Version                     | Top entry                   |  |
| Cable entry                 | 1x M20                      |  |

#### **Technical characteristics**

Locking type

| Limiting temperature                   | -40 +125 °C                                    |
|--|--|
| Note on the limiting temperature       | For use as a connector according to IEC 61984. |
| Number of relockings                   | ≥500   |
| Degree of protection acc. to IEC 60529 | IP65   |
| Clamping range                         | 6 13 mm  |

Single locking lever

## Material properties

| Material (hood/housing) | Polyamide (PA)<br>Fibre-glass reinforced |
|-------------------------|--|
| Colour (hood/housing)   | RAL 9005 (jet black)                     |
| Material (seal)         | NBR                                      |
