Addition of production site: RH and RY relays

IDEC USA is adding a production site in Thailand for our RH1, RH2 and RY2 relays.
Details are as follows:

1. Affected models:

RH series power relays: 16 items

RY series miniature relays: 6 items

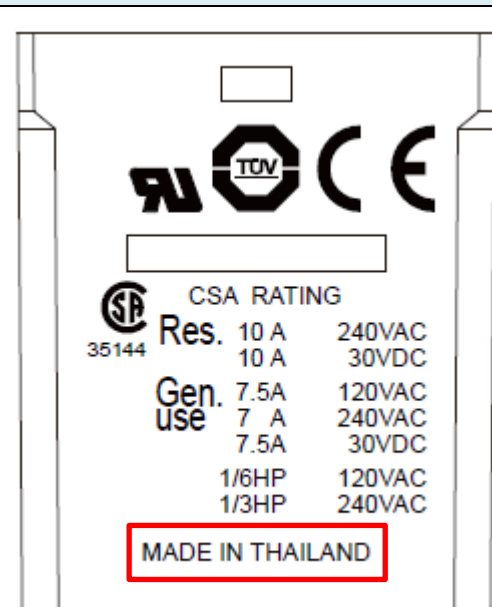

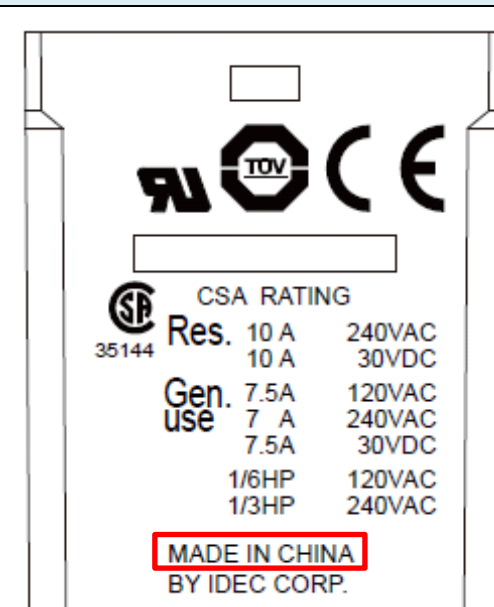

Please refer to the item list.

Note: Other models may be added depending on the sales performance.

2. Specification change:

The product origin is indicated on the relay cases as below.

There are no specification differences between the products made in Thailand and the ones made in China.

	Products made in Thailand	Products made in China
Relay case	 <p>Relay case label for Thailand showing CSA RATING: Res. 10 A 240VAC, 10 A 30VDC; Gen. use 7.5 A 120VAC, 7 A 240VAC, 7.5 A 30VDC; 1/6HP 120VAC, 1/3HP 240VAC. Includes logos for UL, TÜV, and CE. A red box highlights "MADE IN THAILAND".</p>	 <p>Relay case label for China showing CSA RATING: Res. 10 A 240VAC, 10 A 30VDC; Gen. use 7.5 A 120VAC, 7 A 240VAC, 7.5 A 30VDC; 1/6HP 120VAC, 1/3HP 240VAC. Includes logos for UL, TÜV, and CE. A red box highlights "MADE IN CHINA BY IDEC CORP."</p>

3. Schedule:

New models will be shipped progressively from April 2019

4. Part number and pricing will remain unchanged.
