

Announcement

June 2021

Change of production site: RH series power relays

IDEC would like to inform you that we will change the production site of our RH3 and RH4 power relays from Japan to Thailand. Details are as follows:

1. Subject models

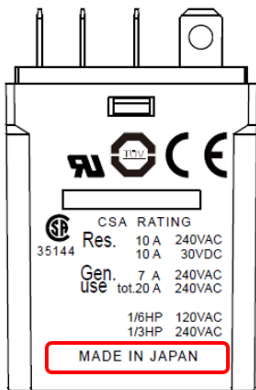

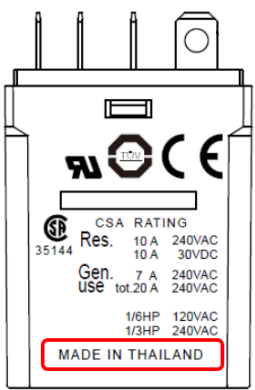

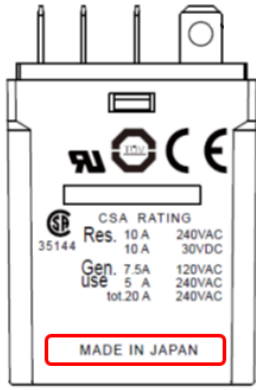

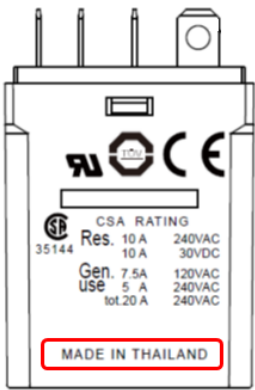

RH3 and RH4 series power relays (incl. special products): All products

2. Details

The production site will be changed from Japan to Thailand.

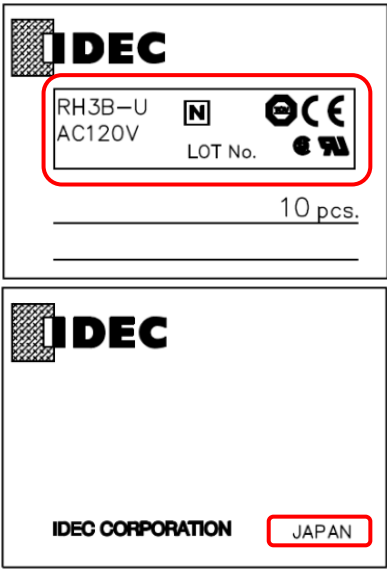

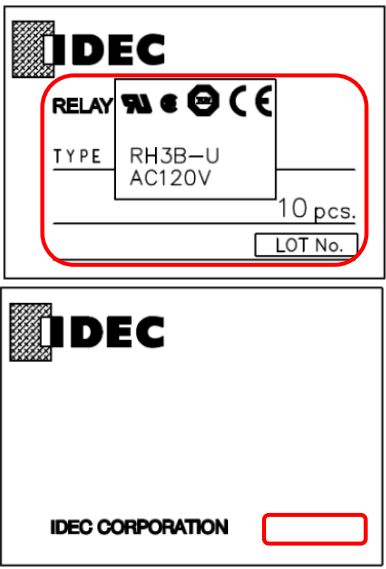

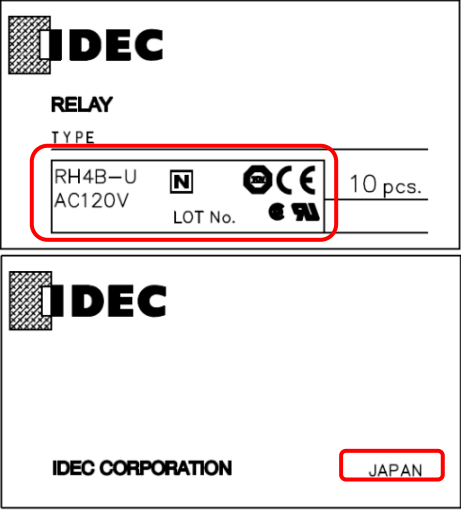

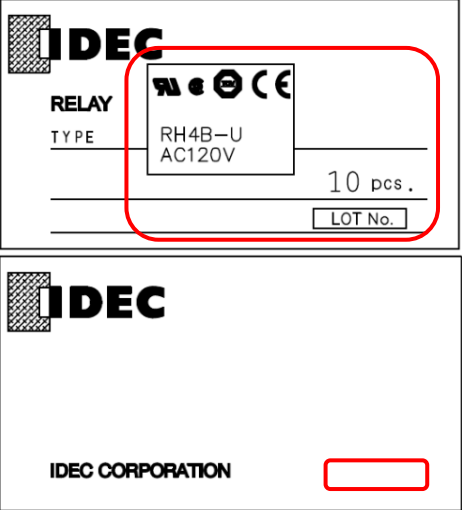

Accordingly, the markings on the relays and the product cases will be changed as follows.

Markings on the relays:

	Current (made in Japan)	New (made in Thailand)
RH3		
RH4		

Announcement

Markings on the product cases:

	Current (made in Japan)	New (made in Thailand)
RH3		
RH4		

Notes:

1. Specifications are the same for the products made in Japan and the products made in Thailand.
2. There is no other specification change.

3. Schedule

Starting October 2021 (or sooner depending on our stock situation)

4. Part number and prices

No change

Announcement

5. Identification

The first digit of the lot number printed on the product cases of the products made in Thailand will be changed from "2" to "H".

For example: Lot number of products made in Japan Lot number of products made in Thailand

2 N X 0 1 Y  **H** N X 0 1
