Part Number Details

TRAPMESSAGE	The identified part number is a recognized, ITT ICS product. However, only product information has been posted on-line. For additional clarification, please contact your local ITT ICS Customer Service center or regional product management team, noted in the "Contacts" section of Channel Partners.
NOTE	The requested part number is recognized; however please note the indicated message: Effective 7/5/2017, the Defense Logistics Agency (DLA) has removed the mil-spec product you are attempting to order from the Qualified Parts List. As a result, ITT is no longer able to supply this mil-spec part number. Please enter a new request for the ITT commercial part if this version will suffice.
