

Datasheet for part number CCS1-FC-150-060

Our Catalog Part Number: CCS1-FC-150-060
Our Global Manufacturing Part Number: 000L80250
Brand: Cannon Product Category: EV Product Line: EV Series: CCS1-FC

Product Datasheet	
Series	CCS1
Product Image	
Standards/regulations	SAE J1772
Dimensions	As of existing CCS 1 / 2 design
Ambient temperature (operation)	-35 °C to +50°C
Ambient temperature (storage/transport)	-40 °C to +80 °C
Max. altitude	5000m (above sea level)
Degree of protection	3R
Maximum charging power	150kW
Rated current of power contacts	150A
Rated voltage for power contacts	1000V
Material surface of contacts	Ag
Temperature Sensor	One for each power contact
Type of Sensor	Pt 1000
Product Drawing
