

KPH25

On Ear Headphones

Like the Koss Porta Pro and SportaPro, the lightweight Koss KPH25 on-ear headphones offer great sound for listeners always on the go. With an over-the-head design and contemporary styling, the Koss KPH25 headphones look as good as they sound.

The Original American Stereophone Company

Ever since I invented the world's first SP/3 Stereophone back in 1958, Koss Stereophones have been bringing back the excitement of a live performance. Music lovers around the world recognize that dedication to accuracy in sound reproduction as: **The Sound of Koss®**
