

Issue Date: October 2nd, 2025

Dear Valued Customer,

This PCN **C0605** is to inform you of a change in some items that you have purchased from Littelfuse.

Description of the Change:

- We will be insourcing certain manufacturing and assembly processes while transitioning other component manufacturing to other existing qualified suppliers for some of our products (Please refer to the attached affected parts list)
 - The component material is changed from carburized 1008/1010 steel to cold-rolled carbon steel with a minimum surface hardness of 50–60 HRC.

Reason for The Change:

- This change is needed to ensure business continuity and avoid supply chain disruptions, to ensure the best possible service and product availability.

Effective Date of the Change:

- Immediately

What You Need to Do:

- There will be no change in form, fit or function of the finished goods

If you have any questions, please feel free to contact your Littelfuse Customer Service Representative or your Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

Expertise Applied | Answers Delivered
