Conflict Metal Statement

Aug-1st-2011

As world class manufacturer of discrete semiconductors, we have worked with our vendors to ensure that their supplies of metals do not come from Conflict Regions, the Democratic Republic of the Congo. These metals include:

- Gold(Au)
- Tantalum(Ta)
- Tungsten(W)
- Tin(Sn)
- Cobalt(Co)

MCC conducts periodic reviews with our vendors to ensure they are in compliance with this policy and will continually monitor our supply chain to ensure this policy is strictly adhered to.

Sincerely,

Micro Commercial Components

Mr. Jason Gao
Quality Director
