

Product Change Notification (PCN)

PCN Number	501264	Date Issued	July 28, 2016
Product Family	Please refer to the full part list attachment for details.		
Series	Please refer to the full part list attachment for details.		
Reason for Change	Equipment Transfer, Production Transfer or Rearrangement		
Change Type Description	This letter is to inform you that production of the part(s) identified in this notice is being moved to a different location. No changes will be made to the product as a result of this move.		
Reason for Short Notice	New Capacity		
Assessment of Change	No change to parts/components FFF		
Internal Molex Qualification Date	July 31, 2016		
Sample Availability Date (Changed Part)	July 31, 2016		
Planned Implementation Date	July 31, 2016		
Method of Identifying Change	No special marking on the product or packaging		

Before Change

Molex will start production in additional plants due to Dalian plant closure.

The mass production has already started around 2016/7/1. Products can be shipped according to the order from each plant(Could vary by each product).

There will be no change on Products' Fit, Form, Function, or Appearance.

After Change

The additional plants will start supplying the following series, respectively.

● Japan Shizuoka plant . . . 5556/5558/1380/1381/50351 series

● Japan Kagoshima plant . . . 52271/52610 series

● Japan Supplier . . . 51021 series

Product Change Notification (PCN)

You may address any technical inquiries regarding this PCN by sending E-mail to pcn_coordinator@molex.com or your Local Sales Engineer.

Note: While responding, please retain "**PCN Notification:501264**" in the e-mail Subject line for faster response.
