Customer Name

Engineering Change Notice ***Change of plastic reel for SMD type capacitor***

To whom it may concern,

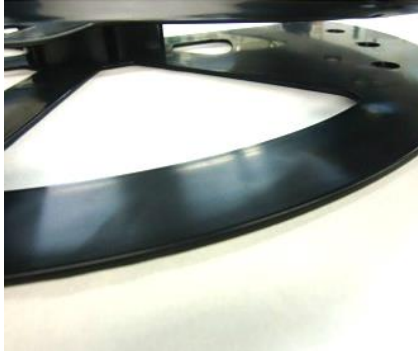

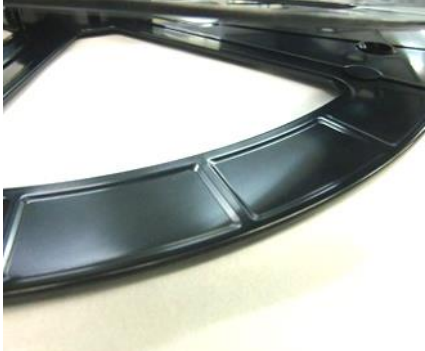

We would like to inform you that the design of reel inside for packaging of the following products will be changed.

1. Products to be affected

All of SMD series of:

- Conductive Polymer Aluminum Solid Capacitors (NPCAP™)
- Conductive Polymer Hybrid Aluminum Electrolytic Capacitors
- Aluminum Electrolytic capacitors

2. Different point of new reel: Only inside design will be changed.

	Present reel	New reel
Outside		
Inside		

Although the new reels have different inside design as shown in the above pictures, the reel dimensions (JEITA ET-7200C), the material and the strength are the same with those of the present reels.

3. Schedule

We start to use the above mentioned new reel in our production on May 2015.

Sincerely yours,

Kazuhiro HATANAKA
Manager
