Product Change Notice

Sub: Stamping Changes
Part series: 89 Series
Effective Date: Immediately

Ohmite has changed the stamping used on the entire 89 Series line of aluminum housed resistors. This includes the 805,810,825 and 850 series parts. The below example show the exact part (different date-code), with the old and new stamping. All new parts will be produced with the new stamping immediately. New markings display the Country of Origin (GB). The full Ohmite part number will continue to be shown on the box labels.

OLD

NEW

Best Regards,

Brandon Metzger
Product Manager

CC: Kirk Schwiebert
Director of New Product Development
