

NO: CON-019      PRODUCT: XS2F, XS2W Connector Cordset  
 DATE: November 2015      TYPE: Modification Notice

## XS2F/XS2W 4-pin Cordsets Modified with 5-pin Connectors; 5-pin Cordsets Modified to Prevent Loose Connections

Effective Date: November 1, 2015 production

**Reasons for modifications:**

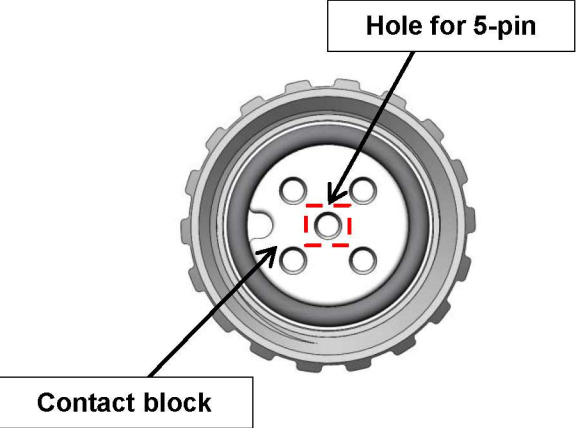

For 4-pin connector cordsets, they will be able to accept a 5-pin plug connector to mate with the 4-pin socket connector.

For 5-pin connector cordsets, socket construction was modified with notches to prevent vibration from loosening the connection. This construction was already applied to 3-pin and 4-pin cordset connectors.

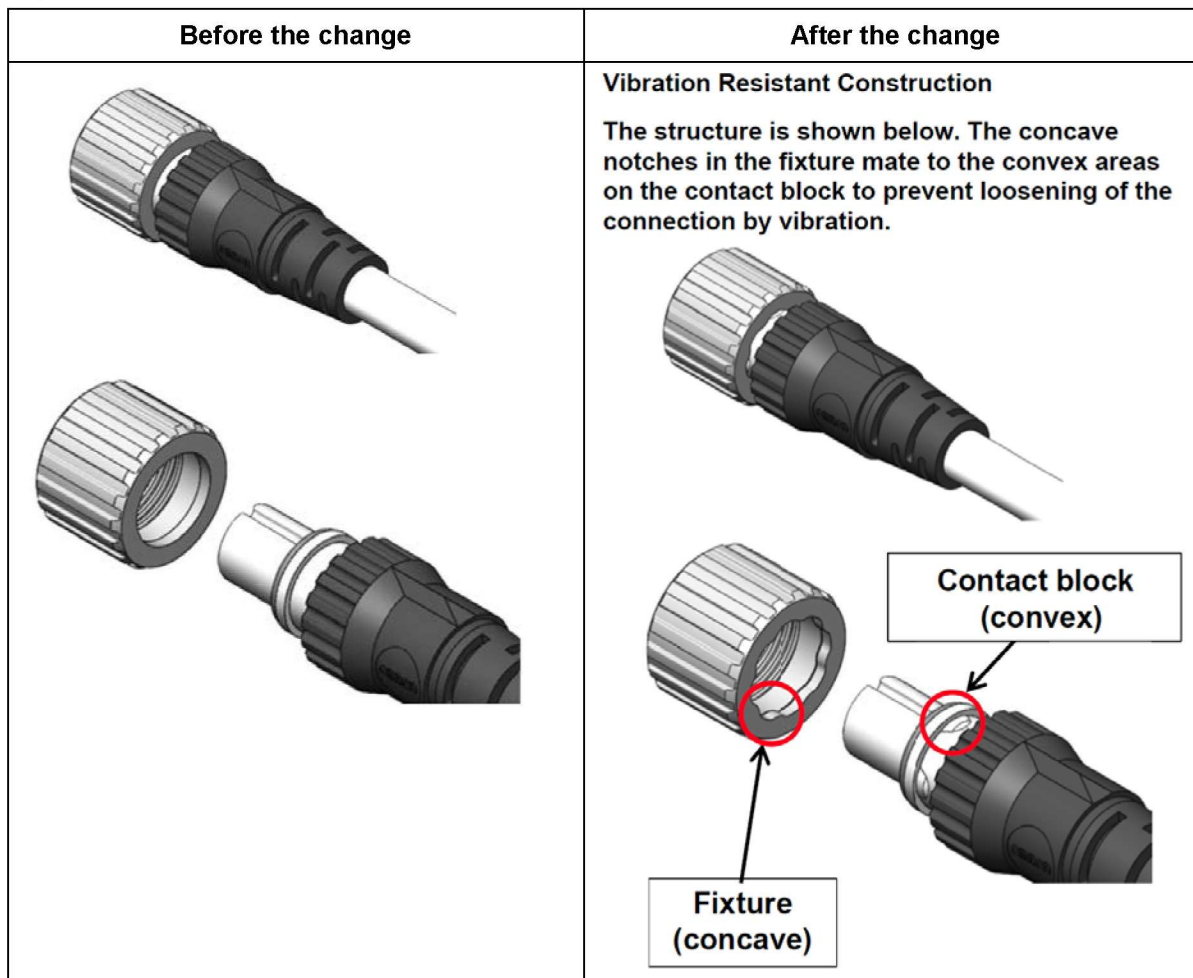

### Changes

#### 4-pin Cordsets Modified with 5-pin Sockets

Before the change	After the change
	<p data-bbox="803 1096 1393 1186">There is now a hole in the center of the contact block so a 5-pin plug connector can be mated with a 4-pin socket connector.</p>
