## **G3VM MOSFET Relay - Appearance Change**

In an effort to enhance our production process, Omron will change the G3VM relay manufacturing mold effective as of our production in October 2019. This modification notice will explain the appearance changes of the G3VM relay case as the new manufacturing mold will have a different gate position which will still be part of the die case. The change will not alter the technical specifications or external dimensions of the relay. The models to be affected include, but are not limited to the models listed below; should you have any additional
