

Accuris has added the following environmental document to the active parts as mentioned in the document from Onsemi as of 01-January-2022.

Thank You.

Statement Regarding the Restriction of Hazardous Substances (RoHS)

This document is onsemi's statement regarding the Commission Delegated Directive (EU) 2015/863 of 31 March 2015 amending Annex II to Directive 2011/65/EU of the European Parliament and of the Council as regards the list of restricted substances (RoHS). The content of this document is based upon information collected from onsemi supply chain, manufacturing facilities and affiliates worldwide

Products manufactured by onsemi are in compliance with the amended RoHS directive. Specifically, products manufactured by onsemi do not contain the substances listed in the table below in concentrations greater than the listed Maximum limit value. This document is periodically updated and is current to include any changes that have occurred since the publication of the original RoHS directive, as indicated by the date below.

Substance	Maximum Limit (ppm) ⁽¹⁾
Cadmium (Cd)	100
Lead (Pb)	1000
Mercury (Hg)	1000
Hexavalent Chromium (Cr ⁶⁺)	1000
Poly Brominated Biphenyls (PBB)	1000
Poly Brominated Diphenyl ethers (PBDE)	1000
Bis(2-ethylhexyl) phthalate (DEHP) (0,1 %)	1000
Butyl benzyl phthalate (BBP)	1000
Dibutyl phthalate (DBP)	1000
Diisobutyl phthalate (DIBP)	1000

⁽¹⁾ Maximum limit does not apply to applications for which exemptions have been granted by the RoHS directive Recast

The signature below is of the Company staff with delegated product chemical substance compliance and has responsibility to verify that to the best of our knowledge the statements above are valid and accurate.

ENVIRONMENTAL DISCLAIMER

The content of this document is based upon information collected from onsemi's supply chain, manufacturing facilities and affiliates worldwide. Providing for limitations below, onsemi certifies that the information provided in this document is correct as of the date indicated on this page.

onsemi has implemented systems to ensure our products are compliant to environmental regulations and laws worldwide. However, not all materials in onsemi's products may have been independently verified regarding substance content. In the event of any issues arising from information in this document, the warranty section of onsemi's standard terms and conditions of sale shall apply, unless alternate contracts have been agreed upon in writing by both parties.
