

February 25, 2022

Dear Customers.

The Change of Company Name on labels

We would like to express our sincere gratitude for your continued support.

Panasonic Corporation will shift to a holding company system "Panasonic Holdings Corporation" from April 2022.

In anticipation of this transition, the current company system was abolished in October 2021, the group will be reorganized into a new system, and it will be succeeded to the operating company from April 2022.

After April 2022, we will change the company name on the labels to the new company name.

If you need detailed information for each product, please contact our sales staff.

We appreciate your understanding and cooperation.

Oct. 2021~	Apr. 2022~
Panasonic Corporation	[Panasonic Holdings Corporation]
Industry Company	Panasonic Industry Co., Ltd.
Energy Company	Panasonic Energy Co., Ltd.
Automotive Company	Panasonic Automotive Systems Co., Ltd.
Connected Solution Company	Panasonic Connect Co., Ltd.
Entertainment & Communication Div.	Panasonic Entertainment & Communication Co., Ltd.
Housing System Div.	Panasonic Housing Solutions Co., Ltd.

*Other than the above, Panasonic Corporation remains unchanged

**Overseas, the name of the overseas corporation is basically written.

■ Changes :

Products / packaging labels with the current company name will be changed to the new company name from April 2022.

[Example] Current) Panasonic Corporation
→ New) Panasonic Industry Co., Ltd.

We will change the notation of the new company name to the newly exchanged specifications.

This change is only the company name, and there is no change in model / part number / electrical characteristics / mechanical characteristics / external dimensions / appearance color / marking etc..

■ Products : All products with the current company name "Panasonic Corporation"

The current company name may be used for products that have been stored due to EOL etc..

- Schedule : We are planning to switch sequentially from our shipment in April 2022.
- Label design changes (example) : Please refer to the attached sheet.

Example1

Subject	C-3 label (Packing box) 、Capacitor
Area	Japan/Overseas
Current	 <p>The current label features the Panasonic Corporation logo and 'MADE IN JAPAN'. It includes the part number ECGSR0D221F4, a quantity of 17500 pcs, and a serial number R9305PS00011 20190305.</p>
Change	 <p>The proposed label features the Panasonic Industry Co., Ltd. logo and 'MADE IN JAPAN'. It includes the part number ECGSR0D221F4, a quantity of 17500 pcs, and a serial number R9305PS00011 20190305.</p>

Example2

Subject	D label 、Capacitor
Area	Japan
Current	 <p>The current label is a detailed technical specification sheet for a capacitor, including part number ECGSR0D221F4, quantity 4000, and serial number 0021409. It includes a QR code and the Panasonic logo.</p>
Change	 <p>The proposed label is a detailed technical specification sheet for a capacitor, including part number ECGSR0D221F4, quantity 4000, and serial number 0021409. It includes a QR code and the Panasonic logo.</p>

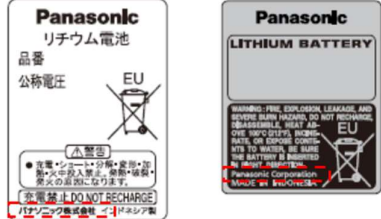

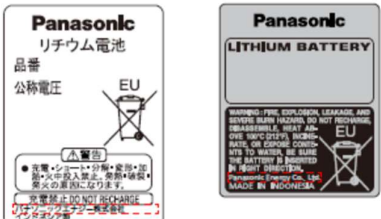

Example 3

Subject	C-3 label (Packing box) , Battery
Area	Japan/Overseas
Current	 <p>The current label is a white rectangular box with a black border. It contains the following text: 'お届け先 CUSTOMER' with '御中' on the right; '品名 CUSTOMER CODE'; '製造品番 MODEL No.'; 'ロットNo. MANUFACTURING DATE CODE'; '数量 QTY/CTN' with '個/ pcs.' on the right; '梱包箱数 C/No.'; and at the bottom, 'パナソニック株式会社 Panasonic Corporation Made in Japan'.</p>
Change	 <p>The change label is identical in layout to the current one but features a red dashed border around the bottom section. The bottom text reads 'パナソニックエナジー株式会社 Panasonic Energy Co., Ltd. Made in Japan'.</p>

Example 4

Subject	Battery tube
Area	Japan/Overseas
Current	 <p>The current labels consist of two yellow rectangular labels. The top label contains technical specifications for BR-1/2AA (Urban Battery), including voltage (1.5V), capacity (1200mAh), and safety warnings. The bottom label features the Panasonic logo, 'BR-1/2AA', 'Lithium', and 'Not for Retail Trade'.</p>
Change	 <p>The change labels are identical to the current ones but include 'EU' at the bottom of the second label, indicating compliance with European Union regulations.</p>

Example5

Subject	Back label, Battery
Area	Japan/Overseas
Current	
Change	

Sincerely yours,

Tyler Nakamura
