

SUBJECT: ECQU(L), ECQU(G), ECQU(V), ECQE(F), ECWF(L)(B), ECWH(V)(L)
Factory for the North American Market

BULLETIN #: ECN.PG42.03.10.09

Date: March 10, 2009

Page 1 of 1

EFFECTIVE DATE: June 1, 2009

In an effort to provide improved delivery service, and react to increasing production lead-times, Panasonic plans to transfer production of the aforementioned film capacitor series from Panasonic Electronic Devices Jiangmen, China Co. Ltd. (PEDJM) Beijing satellite factory to Panasonic Electronic Devices Jiangmen, China Co. Ltd. (PEDJM).

Planned timing of the transfer will be from purchase orders received on or after June 1, 2009

Subject Items:

- UL/CSA/IEC recognized Suppression Film Capacitors ECQU(L), ECQU(G), ECQU(V)
- Metallized Polyester Capacitor ECQE(F)
- Metallized Polypropylene Capacitor ECWF(L)(B) / ECWH(V)(L)

Changes:

| Current Vendor | Change to |
|---|---|
| Panasonic Electronic Devises (Jiangmen) Co.,Ltd. [PEDJM], Beijing satellite factory - China | Panasonic Electronic Devises (Jiangmen) Co, Ltd [PEDJM] – China |

Customers requiring re-qualification of product from the new manufacturing locations will be provided necessary material (specification, qualification samples, COO documentation, etc) on a request basis
