

## Product Change Notification (PCN)

T-1333 - Feb. 2014

### Label on moisture proof sealed packaging of PhotoMOS relays

This is to inform you that we will affix an additional label to the moisture proof sealed packaging.

#### 1. Reason

Make the part number clear with the moisture proof sealing after removing the outer carton.

#### 2. Types

All VSSOP, SON, SSOP and SOP PhotoMOS relays.

#### 3. Schedule

From April, 2014 production onwards

#### 4. Content of Change

The following label will be affixed to the moisture proof sealed bag.
