

## Product discontinuation

|          |           |       |            |
|----------|-----------|-------|------------|
| PCN No.: | NBG130040 | Date: | 19.11.2018 |
|----------|-----------|-------|------------|

### Description of discontinuation

#### Product discontinuation

We aim to provide you with state-of-the-art products for your application. To this end, it is necessary for commercial or technical reasons to regularly check the product range and adjust the product lifecycle.

We will be withdrawing the components listed in the table below from the supply range and hereby announce their discontinuation.

| Order No. | Designation               | Alternative Order No. | Alternative designation   |
|-----------|---------------------------|-----------------------|---------------------------|
|           | See attached product list |                       | See attached product list |

### General schedule for discontinued products
