**Change in the article range DFMC 1,5...ST(F)(LR) – AAA140088**  
**Please forward this information to your electrotechnical departments!**

Dear Sir or Madam,

In the course of our continuous improvement process, the electrical data of the DFMC product range will be upgraded to increase the UL listing.

- 1) The housing will be enlarged by 0.7mm to 16.3 mm to upgrade the UL 1059 approval from the usegroup B with 150 V to the usegroups B and D with 300 V.
- 2) The flange of DFMC 1,5/...-STF connectors will be extended to 5.7 mm in order to allow for an optimal guidance of the screw.

The modifications have no effect on the technical details. We are happy to provide you with the article drawings of the connector types upon request by email.

The new design will be delivered as of July 1, 2016.

Do you have any questions? Our consulting engineer or the sales team in Blomberg will gladly be at your disposal.

Yours sincerely,

PHOENIX CONTACT Deutschland GmbH

i.A. Thorsten Grandt
