

## Product change information (PCN)

PCN No.:	ACL170015	Date:	25.07.2017
Product:	Surge protection type 2 arrester VAL-MS...		

Description of the change		
<input type="checkbox"/> Product appearance (fit)	<input checked="" type="checkbox"/> Product geometry (form)	<input type="checkbox"/> Product function (function)
<p>With the listed products, the tightening torques for the screws on the clamping part pocket have been previously listed as 4.5 Nm.</p> <p>In rare cases, this tightening torque may damage the screws and/or the clamping part pocket. This occurs occasionally when using guided hand-held screwdrivers with adjustable torque in conjunction with small cross-section cables.</p> <p>In order to prevent this problem, the tightening torque for the clamping part pockets has been changed in relation to the cable cross-section for the listed products:</p> <ul style="list-style-type: none"> <li>- 1.5 ... 16 mm<sup>2</sup>: 3 Nm</li> <li>- 25 ... 35 mm<sup>2</sup>: 4.5 Nm unchanged</li> </ul> <p>This change will be incorporated in data sheets and installation notes.</p> <p>This change is being carried out at short notice to prevent possible faults.</p>
