ICC - Industrial Cabinet	BE3	Product Change Notification	Notify Distributors and Field	7/10/2018

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

The supplier of raw material has informed us of a material change (only a small adjustment of the alloying components). The material change involves the internal QTC cutting contact. The new raw material has been long-term qualified by the global Industrial Cabinet Connectivity laboratory, and has no influence on technical data, approvals, handling or design. It is not visible and not relevant in relation to fit, form or function.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes

Transaction Dates

Date modification goes into effect from Germany:	7/5/2018
Expected first shipment (from Phoenix Contact) of the modified products(s):	8/20/2018

Previous Product	New Product
	No visible difference between old and new type

Product Change Notification

Should you have any issues with the timeline or content of this product change, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN; provided, however, that the failure to acknowledge receipt does not affect the product change or the effective date thereof.
