

Product Change Notification

PCN-PCC-2674-2018

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
PCC - PCB Connectors	AAA	Product Change Notification	Notify Distributors and Field	11/19/2018

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

The connectors listed on this document and the attached spreadsheet will have their certification and approval markings updated. Updates include a uniform declaration, removal of outdated certifications, and moving of Ex printing (for Ex rated parts) from the side to the bottom of the connector. All further dimensions and technical data remain the same.

The mixing of inventory for all connectors is permissible except for Ex rated connectors. Only the Ex rated connectors will have their version codes (revision levels) changed. Delivery of new versions is expected to begin on April 1, 2019, however this date is subject to change based on local inventory. Existing stock may continue to be used during the transition.

Stock Status

Can existing stock still be used? Yes

Is mixture of stock acceptable?

Transaction Dates

Date modification goes into effect from Germany: 4/1/2019

Expected first shipment (from Phoenix Contact) of the modified products(s): 4/1/2019

Product Change Notification

Should you have any issues with the timeline or content of this product change, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN; provided, however, that the failure to acknowledge receipt does not affect the product change or the effective date thereof.
