Product Change Notification

PCN-MI-2785-2018

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
MI - Marking and Installation	BG3	Product Change Notification	Notify Distributors and Field	11/26/2018

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

PHOENIX CONTACT was informed on short notice by Underwriters Laboratories (UL), that they made a mistake in the certification of our ferrules. Besides the standard ferrules acc. UL 486F, the UL authority has also tested and certified special-ferrules (color- and length-versions) which are NOT mentioned in that standard. For these special-ferrules UL revoked our certification. This leads to the situation that we have to remove the UL Logo of the packaging and that the file has to be corrected. Under pressure from PHOENIX CONTACT the standard UL 486F will be modified by UL, accordingly. A transposition date from UL is not announced, yet.

Important: Just individual special- ferrules are affected by this change order. All other ferrules remain unchanged and are still UL certified, even if the current UL file is not up to date.

The batch version number (V/C) will be changed.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No

Transaction Dates

Date modification goes into effect from Germany:	11/26/2018
Expected first shipment (from Phoenix Contact) of the modified products(s):	11/26/2018
