

Product change information (PCN)

PCN No.:	CAA182036	Date:	05.03.2019
Products:	MCDN/V 1,5...		

Order No.	Designation
	See attached product list

Description of change		
☐ Product appearance (fit)	☐ Product geometry (form)	☐ Product function (function)
Change of packaging		
The existing packaging will be succeeded by a tray system. Transport security and removal of products will improve. Packaging volumes might change in individual cases. Please consider this for your material planning. The general technical data of the products remain unchanged. The packaging can no longer be broken up.		

Previous production status	Future production status
	 Additionally packed in cardboard

Expected initial delivery of the changed products	2019-07-01
