Product Change Notification

PCN-ICC-3812-2019

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
ICC - Industrial Cabinet	BE2	Product Change Notification	Notify Distributors and Field	6/24/2019

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

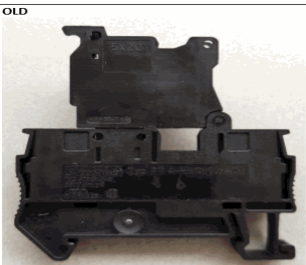

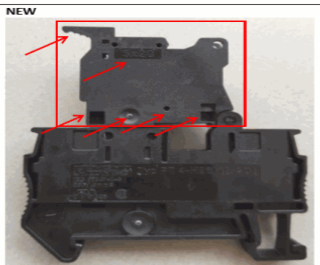

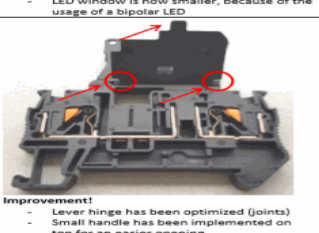

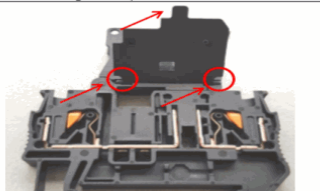

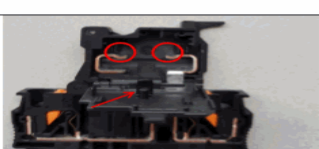

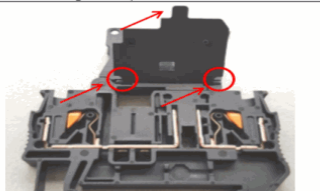

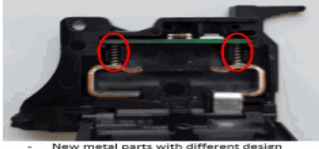

As part of the ongoing improvement process, the appearance of the fuse lever on the listed products is being changed. Technical properties are not affected by the change, and remain the same. All HESI products (CLIPLINE complete) will be changed successively, based on product family. Further details can be found on the attached document "PCN_pictures comparison.docx".

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes

Transaction Dates

Date modification goes into effect from Germany:	3/1/2020
Expected first shipment (from Phoenix Contact) of the modified products(s):	3/1/2020

Previous Product		New Product	
<p>PCN – HESI lever Example: PT 4-HESI (5X20)</p>			
<p>OLD</p> 	<p>NEW</p>  <ul style="list-style-type: none"> - Optical changes (see arrows) ONLY LEVER! 		 <ul style="list-style-type: none"> - LED window is now smaller, because of the usage of a bipolar LED
	 <ul style="list-style-type: none"> Improvement! - Lever handle extended for an easier handling 	<p>Quality problems in the past:</p> <ul style="list-style-type: none"> - Cover broke off when opened, especially in cold environment due to „folding mechanism“ 	<p>Improvement!</p> <ul style="list-style-type: none"> - LED window is now smaller, because of the usage of a bipolar LED - Lever hinge has been optimized (joints) - Small handle has been implemented on top for an easier opening
			
			 <ul style="list-style-type: none"> - New metal parts with different design - New springs have been implemented for an optimized contact between fuse and PCB
